

Ticket sales are a vital component of Spoleto Festival USA's revenue and a limited number of tickets are reserved for media use. Please note that due to an increase in advance-ticket sales, media tickets to some performances may be unavailable or limited to single tickets. Request fulfillment is not guaranteed; distribution is at the discretion of Festival staff. Before requesting media tickets, please be aware of these guidelines:

- **Advance Coverage:** Journalists writing advance Festival stories may request two complimentary tickets for up to three performances. Additional tickets may be purchased.
- **Festival Coverage:** Journalists writing performance reviews may request two complimentary tickets to associated productions.
- Media tickets are **NOT** available for Behind the Garden Gate or Opening-Night Fête.
- Media tickets are for **the signer's use only**. All tickets issued are final. Tickets will not be exchanged the day of the performance, so please be thorough and precise with all advance ticket orders.
- The **deadline** for requests is Friday, April 6, 2018. Following this date, media tickets will be released for sale to the general public. Late ticket requests will be subject to availability.

Spoleto Festival USA reserves the right not to issue tickets to a journalist if he/she:

- requests more tickets than are allotted for his/her media organization.
- requests tickets to fundraising events or performances not related to Festival coverage.
- fails to order complimentary media tickets by Friday, April 6.
