

Contributors

The work to sustain Spoleto Festival USA is a collaborative effort between hundreds of individuals and institutions. The board of directors is joined by individual supporters, corporations, foundations, and government agencies across the state of South Carolina and country to help meet the annual and ongoing production costs of the Festival. We applaud these collaborators for their continued leadership and generosity.

This list represents contributors whose gifts were received from April 1, 2024 to March 31, 2025. Those whose gifts were received after that date will be acknowledged in the 2026 program book.

Partner with Spoleto Festival to bring art to life! To learn more, please contact the Development office at give@spoletousa.org or call (843) 724-1192.
